

# EVENTS & PRODUCTION

# WHAT WE DO

## HIRE

We can provide full technical production to make any event a success. Whether it's lighting, sound, staging, rigging or AV the technical team at Ayrshire 360 can work with you to create the perfect setup tailored to your requirements.

## PRODUCTION

360-degree production. We can design, manage and deliver events of any scale. Our team can create technical drawings and pre visualisation of events prior, turning concept to reality.

## ADDITIONAL SERVICES

Ayrshire 360 can offer a range of additional services whether it's hospitality, marketing and beyond. Contact our team today and we will be on hand to discuss.

**LIGHTING**

We can provide full lighting production including control, fixtures, atmospheric effects, special effects, followspots to illuminate and enhance any performance.

We stock over 400 fixtures from brands such as Martin, Ayrton, Astera, ETC, Chauvet and many more.

Contact us today to discuss your requirements.

**CONTROL**

**ATMOSPHERIC EFFECTS**

**MOVING LIGHTS**

**SPECIAL EFFECTS**

**LED LIGHTING**

**NETWORK DISTRIBUTION**

## AUDIO

We can provide full audio design and production for any event from local productions to full scale concerts. Our team will work with our clients to design a bespoke system for your event.

We have a range of control packages from Digico, Allen & Heath and Midas.

Contact us today to discuss your requirements.

## STAGING

### LITEDECK

We have a huge stock of conventional litedeck, handrails and treads in a range of sizes. Our deck can be configured in a number of ways to create stages, catwalks, seating banks and so much more.

### TRUSSING & RIGGING

Whether you're planning a concert, festival, corporate event, or any large-scale production, our high-quality truss and rigging solutions ensure your event's technical elements are securely and professionally set up.

### TRAILER STAGES

Our trailer stages are the ideal solution for outdoor festivals, gala days and more. We have two sizes available making it perfect for a main stage and secondary stage setup.
